Registration and participation in ORT 2022.

For the ORT 2022, only historic vehicles built up to 1980 will be admitted. The limited number of participants at ORT 2022 is 50 crews. The application for ORT 2022 is available at www.petran.sk. On the application, the registered participant expresses his interest in completing part of the route of the 1st stage in the section "Šumiac - Kráľova Hoľa - Šumiac" - the length of the route to Kráľova Hoľa is 12 km, the superelevation is 1,066 m. The organizers have the right to select participants from the registered crews for the entire ORT 2022 event and select participants for the part of the route "Šumiac - Kráľova Hoľa - Šumiac".

The organizer can arrange accommodation in Lipt. Mikulas available for more favorable conditions upon request. Confirmation of the participant's admission to the ORT 2022 is the acceptance of the entry fee by the organizer.

Presentation, identification of historical vehicles and participants.

The presentation of historic vehicles will take place online. Participants will only come to the Pension Rotunda for a bag with the start number and other essentials. For vehicles accepted into the competition, start numbers will be assigned according to the year of manufacture of the historic vehicle. The vehicle must be marked with a start number throughout the competition. An unmarked vehicle will not be evaluated and will not be allowed on the competition track. As a rule, the starting numbers also control the order of the vehicles at the start.

Crew members will receive a Free Pass. The Free Pass is non-transferable. The Free Pass entitles you to enter the areas reserved for the purpose of the event. The Free Pass is also used to prove entitlement to refreshments and meals. Participants are kindly requested to bring the Free Pass along with them during the event.

Transporters of historic vehicles will be able to be parked in the closed parking lot of the Secondary Construction School on Školská Street no. 8 in Liptovský Mikuláš.
